#### **6.3.1.1 Welfare policy**

The objective of SSJIPER College of Pharmacy in Jamner is dedicated to empowering its employees with welfare measures. Taking initiatives and making efforts to develop welfare schemes is crucial for the betterment of stakeholders, particularly students and employees. The institute has recognized the importance of performance appraisal and welfare measures for both teaching and non-teaching staff, and has prepared a policy to ensure their effective implementation.

The achievements in curricular, co- curricular, and extracurricular activities are taken into consideration during the appraisal process. The Head of the Department (HOD) plays a role in critically evaluating the staff's accomplishments, and subsequently, the Principal reviews and provides feedback to encourage the overall development of the staff.

By implementing performance appraisal and welfare measures, SSJIPER Jamner College of Pharmacy aims to support and enhance the skills and performance of its employees. This approach demonstrates a commitment to fostering a positive and conducive environment for both the staff and the students.
