Games and Sports: play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigour of life.

Considering the concept of "SPORTS FOR HEALTH" throughout the entire session we organized Inter-department sports for students. Co-curricular activity programs offer an extensive opportunity to all the students. This venture shall enable the students to have fun, learn new sports, enhance social interaction and tests one's physical capability. These competition also offer a break from the daily routine tasks and recreate or re-energetic them.
