Report on Green Campus and Environment –Facilities and Activities at Sureshdada Jain College of Pharmacy, Jamner

As the Principal of Sureshdada Jain College of Pharmacy, I am Pleased to tale on various initiatives taken by our institution to promote green campus and environment friendly facilities and activities.

We believe that it is our responsibility to reduce our environmental impact and promote sustainable practices. To this end, we have implemented several measures to minimize our Carbon footprint and create a cleaner and greener environment for our students and staff.

Waste management: we have implemented a source segregation system for the collection of dry and waste, with color coded waste bins placed at every corner and common room, our housekeeping staff is trained to follow these waste management practices, and collected waste is handed over to the local authority for proper disposal.

Paperless operations-we have a developed ERP System for all academics and administrative Activities to minimize paper usage. This includes online admission-learning platforms and digital record keeping.

Energy Conservation: we have implemented several measures to conserve energy including using energy effective lighting and conditioning system, installing LED light and encouraging the uses of natural lights and ventilation.

Water Conservation: we have installed rain water harvesting system, low flow fixtures and reduce wastage

Green spaces: We have created green spaces on our campus, including botanical garden, herbal garden. We promote biodiversity but also provide a natural space for our students to relax and unwind.

Environment: Friendly activities: we organize various environments friendly activities including tree plantation drives, eco-friendly celebration of festivals and awareness campaigns on environmental issues.

Notice-Green policies implemented by Sureshdada Jain College of Pharmacy, Jamner

Dear Students and staff,

We are happy to announce that Sureshdada Jain College of Pharmacy has implemented various green policies to decrease our environmental impact and support sustainability.

Our college has implemented a source isolation system for the collection of dry and waste with color coded waste bins placed at every corner and common room, our housekeeping staff is trained to follow these waste management practices, and collected waste is handed over to the local authority for proper disposal.

To minimize paper usage, we have developed enterprises resources planning system for all academics and administrative activities. Additionally we collect the disposal of liquid waste from labs and washrooms through a well constructed drainage system.

In the terms of non-degradable waste management, and faculty members guide students on the proper use and handling of chemicals in the labs, we promote the use of less hazardous chemicals. We also disposal of water soluble chemicals through the sewage system after solubilizing them in water.

Moreover, we have banned the use of plastic on our campus to reduce non-degradable waste.

We wish that these policies will generate a cleaner and greener environment for all us to survival and work in. We support everyone to maintain these initiatives and help us to make a positive impact on environment.

Thank you for your collaboration.

- 2) To conduct workshop seminars & training course on IPR.
- 3) To create an opportunity for product development and commercialization.

Electoral Literacy Club

Electoral Literacy Club is set up in The Jamner Taluka Education Society's Shree Sureshdada Jain Institute Of Pharmaceutical Education and Research Jamner with the primary objective of sensitizing the student community about democratic rights which includes casting votes in elections. We conduct mock polling activities to give the experience-based learning of the democratic setup. We also conduct poster presentations, debates and other programs which create awareness regarding electoral procedures.

The Institution has the ELC functional with the following office bearers
