Library Facility

A library is a treasure of knowledge. At our college, the Library plays a vital role in the collection, development and broadcasting of scientific and technical information to meet the present and future academic and research needs of all users. It includes a wide range of text books and reference books for different branches of Pharmacy and allied subjects. It also provides extensive access to National and International Scientific Research Journals and periodicals.

A well-equipped Institutional Library houses more than 9808 books (2522 titles) relevant to teaching, learning, training and research needs of the Institute. It also subscribes more than 22 printed International and National Journals. Hence, students and faculty members themselves updated with the latest trends in the Pharmacy. Apart from this, the institute library possesses over 85 educational CDs for UG and PG curriculum.

Infrastructure of library had been specially designed in such a way that increases reading efficiency & interest of students. User friendly library software called "Libman" has been adopted at the Library to make it fully automated. Online Public Access Catalogue (OPAC) is also available on the Internet for inquiring about the books. The library is subscribed to National Digital library New Delhi.

The Library with an aim to provide access to the right information at the right time to all its users offers a package of high quality, user focused services to support the learning & teaching; research and development activities of students, faculty, and staff members.

The library is kept open from 8.30 am to 6.00 pm on all working days

"Books are for use and not Preservation" With this demand our Library functions. Hence the Open Access allowed.

Issuing of books to students is through Identify Cards.

Photocopying facility is available on the library. It provides an invaluable service to the student.

A convenient spacious reading area with 150 seating capacity is available within the library

Separate sections for text books, reference books, Journals, Periodicals, Back volumes, Project reports with Internet access available
