administrative and teaching staff to make important updates on the website. A Website Committee is already in place for the maintenance and administration of the college website. The Committee looks after the process of updating, maintaining and working of the website on a regular basis. The College displays all the important notifications on the website.

Student Admission/ Support System:

Students fee, admission portal and other students support system for students admission, attendance etc, are to be maintained by using the software system. Master soft ERP is implemented for this purpose.

Accounts:

The office manages its account on Tally Prime Balance Sheet, all the analysis reports are generated through this system. Appropriate security is taken for maintaining confidentiality of the transactions. Training to the existing staff and updating of the existing software is done regularly. This system has Payroll Management System which helps to automatically calculate the salary, generate salary slips, and disperse the salary to the bank account. TDS, Provident Fund. Allowances, etc. all are managed by this system. Reports can be generated for all staff members. Payments are generally made and received through online made such as NEFT, Transfers etc.

Library:

The College continues to maintain its academic excellence through maintaining a well-stocked library. The College is keen to add more and more e-learning resources for the benefit of the teachers and the students. The College continues to subscribe to new journals and books regularly. Recommendations are taken from the teachers and students while subscribing to the e-resources. Teachers can apply to get books of different authors for the subjects they are teaching to increase the knowledge database.
